### DISTRICT PROCEDURES AND MINNESOTA GUIDELINES REQUIRE THE FOLLOWING:

1. Medications which are required during school hours and which the parent/guardian is unable to come and administer, must be administered by a school nurse or a designee whom the nurse has trained and delegated to, the function of medication administration.
2. NOTE: Medication to be given in the school is to be supplied in the original container/prescription bottle. A bottle of the medication should be prepared by the pharmacist, for school, with the appropriate labeling for school use.
3. \* Written parental permission and licensed health care provider permission are both required for all prescription medication.  
 \*Written parental permission is required for all medications (prescription or over the counter).  
 NOTE: No "ASPIRIN" or Aspirin PRODUCTS will be accepted from parents for administration to students without authorization from a licensed prescribing practitioner. A new authorization form must be completed annually in the fall of the year. **PLEASE SHARE MEDICATION NEEDS WITH KIDS CLUB, IF APPROPRIATE.**
4. All medication must be accompanied by specific instructions, when and how it is to be given, and for how many days.
5. All medication must be kept in a locked cabinet and administered in the health office. Special exceptions to these circumstances may be made when approved and deemed safe by the school nurse. Examples may be self-carry, IEP, 504, or health plan related issues.
6. **UNDER NO CIRCUMSTANCES** will school personnel provide aspirin or other over the counter medication to students from any school stock supply.
7. All medication administered must be approved by the F.D.A. Herbal dietary supplements are encouraged to be administered at home. Requests will be handled individually by a licensed school nurse.
8. Administration of each dose of medication shall be recorded on the student's medication record.
9. School nurses will not send prescription medication home with a student unless pre-arranged with a parent. Any medication remaining in the health office past the end of the school year will be properly disposed of.

**This form should be completed by parent and physician/ licensed prescriber, if necessary.  
 The form should be returned to the school your child attends (faxing is acceptable).**
