404.1 STAFF IDENTIFICATION BADGES

I. PURPOSE

The purpose of this policy is to promote and enhance the safety and security of students and staff.

II. GENERAL STATEMENT OF POLICY

All employees must wear staff identification badges. These badges will be worn so that they are clearly visible on their person while on duty in any district building. The identification badges will be provided by the district for the purpose of promoting and enhancing the safety and security of students and staff.

All volunteers and visitors must check in with the greeter desk or main office of the building and are required to wear a pass at all times when in the building.
