

413 HARASSMENT AND VIOLENCE

I. REPORTING PROCEDURES

- A. Any person who believes he or she has been the victim of harassment or violence on the basis of race, color, creed, religion, national origin, sex/gender, age, marital status, familial status, status with regard to public assistance, sexual orientation, or disability by a pupil, teacher, administrator or other school personnel of the school district, or any person with knowledge or belief of conduct which may constitute harassment or violence prohibited by this policy toward a pupil, teacher, administrator or other school personnel or group of pupils, teachers, administrators, or other school personnel should report the alleged acts immediately to an appropriate school district official designated by this policy. The school district encourages the reporting party or complainant to use the report form available from the principal or available from the school district office, but oral reports shall be considered complaints as well. Nothing in this policy shall prevent any person from reporting harassment or violence directly to a school district human rights officer or to the Superintendent/designee.
- B. The principal, the principal's designee, or the building supervisor (hereinafter building report taker) is the person responsible for receiving oral or written reports of harassment or violence prohibited by this policy at the building level. Any adult school district personnel who receives a report of harassment or violence prohibited by this policy shall inform the building report taker immediately. If the complaint involves the building report taker, the complaint shall be made or filed directly with the Superintendent/designee or the school district's human rights officer by the reporting party or complainant. School district personnel who fail to inform the building report taker of a report of harassment or violence in a timely manner may be subject to disciplinary action.
- C. Upon receipt of a report, the building report taker must notify the school district human rights officer immediately, without screening or investigating the report. The building report taker may request, but may not insist upon a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the building report taker to the human rights officer. If the report was given verbally, the building report taker shall personally reduce it to written form within 24 hours and forward it to the human rights officer. Failure to forward any harassment or violence report or complaint as provided herein may result in disciplinary action against the building report taker.
- D. In the District. The School Board hereby designates the Superintendent/designee as the school district human rights officer(s) to receive reports or complaints of harassment or violence prohibited by this policy. If the complaint involves a

human rights officer, the complaint shall be filed directly with the Superintendent/designee.

- E. The school district shall conspicuously post the name of the human rights officer(s), including mailing addresses and telephone numbers.
- F. Submission of a good faith complaint or report of religious, racial or sexual harassment or violence will not affect the complainant or reporter's future employment, grades or work assignments.
- G. Use of formal reporting forms is not mandatory.
- H. Reports of harassment or violence prohibited by this policy are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law. The school district will respect the privacy of the complainant(s), the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the school district's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.
