

415 MANDATED REPORTING OF MALTREATMENT OF VULNERABLE ADULTS

I. REPORTING PROCEDURES

- A. A mandated reporter as defined herein shall immediately report the suspected maltreatment to the designated county entity.
- B. Whenever a mandated reporter, as defined herein, knows or has reason to believe that an individual made an error in the provision of therapeutic conduct to a vulnerable adult which results in injury or harm, which reasonably requires the care of a physician, such information shall be reported immediately to the designated county agency. The mandated reporter also may report a belief that the error did not constitute neglect and why the error does not constitute neglect.
- C. The reporter shall to the extent possible identify the vulnerable adult, the caregiver, the nature and extent of the suspected maltreatment, any evidence of previous maltreatment, the name and address of the reporter, the time, date, and location of the incident and any other information that the reporter believes might be helpful in investigating the suspected abuse or neglect. A mandated reporter may disclose *not public data* as defined under Minn. Stat. § 13.02 to the extent necessary to comply with the above reporting requirements.
- D. A person mandated to report suspected maltreatment of a vulnerable adult who negligently or intentionally fails to report is liable for damages caused by the failure. A negligent or intentional failure to report may result in discipline. A mandatory reporter who intentionally fails to make a report, who knowingly provides false or misleading information in reporting or who intentionally fails to provide all the material circumstances surrounding the reported incident may be guilty of a misdemeanor.
- E. Retaliation against a person who makes a good faith report under Minnesota law and this policy, or against vulnerable adult who is named in a report is prohibited.
- F. Any person who intentionally makes a false report under the provisions of applicable Minnesota law or this policy shall be liable in a civil suit for any actual damages suffered by the person or persons so reported and for any punitive damages set by the court or jury. The intentional making of a false report may result in discipline.
