

801 EQUAL ACCESS TO SCHOOL FACILITIES FOR STUDENTS

I. PURPOSE

The purpose of this policy is to implement the Equal Access Act by granting equal access to elementary and secondary school facilities for enrolled students who wish to conduct a meeting for religious, political, or philosophical purposes during non-instructional time.

II. GENERAL STATEMENT OF POLICY

- A. It is the policy of this school district not to deny equal access or a fair opportunity to, or to discriminate against, any students who wish to conduct a meeting, on the basis of the religious, political, philosophical, or other content of the speech at such meetings.
- B. The School Board has created a limited open forum for students enrolled in elementary and secondary schools during which noncurriculum-related student groups shall have equal access and a fair opportunity to conduct meetings during non-instructional time.
- C. Student use of facilities under this policy does not imply school district sponsorship, approval, or advocacy of the content of the expression at such meetings.
- D. The school district retains its authority to maintain order and discipline on school premises, to protect the well-being of students and faculty, and to assure that attendance of students at meetings is voluntary.
- E. In adopting and implementing this equal access policy, the school district will NOT:
 - 1. influence the form or content of any prayer or other religious activity;
 - 2. require any person to participate in prayer or other religious activity;
 - 3. expend public funds beyond the incidental cost of providing the space for student-initiated meetings;
 - 4. compel any school agent or employee to attend a school meeting if the content of the speech at the meeting is contrary to the beliefs of the agent or employee;
 - 5. sanction meetings that are otherwise unlawful;

6. limit the rights of groups of students based on the size of the group;
7. abridge the constitutional rights of any person.

III. DEFINITIONS

- A. “Limited open forum” means that the school grants an offering to or opportunity for one or more noncurriculum related student groups to meet on school premises during noninstructional time.
- B. “Elementary school” means any school with enrollment of pupils in kindergarten through grade 5 or 6 or any portion thereof.
- C. “Secondary school” means any school with enrollment of pupils ordinarily in grades 6 or 7 through 12 or any portion thereof.
- D. “Sponsorship” includes the act of promoting, leading, or participating in a meeting. The assignment of a school employee for custodial, observation, or maintenance of order and discipline purposes does not constitute sponsorship of the meeting.
- E. “Meeting” includes activities of student groups which are permitted under a limited open forum and are not directly related to the school curriculum. Distribution of literature does not constitute a meeting protected by the Equal Access Act.
- F. “Noninstructional time” means time set aside by the school before actual classroom instruction begins or after actual classroom instruction ends, including such other periods that occur during the school day when no classroom instruction takes place.

IV. FAIR OPPORTUNITY CRITERIA

Schools in this school district shall uniformly provide that:

- A. A meeting held pursuant to this policy is voluntary and student-initiated;
- B. There is no sponsorship of the meeting by the school or its agents or employees;
- C. Employees or agents of the school are present at religious meetings only in a nonparticipatory capacity;
- D. The meeting does not materially and substantially interfere with the orderly conduct of educational activities within the school; and
- E. Nonschool persons may not direct, control, or regularly attend activities of student groups.

- F. The meeting shall not result in additional or special student transportation provided at district expense.
