### **903.3 RELATIONS WITH GOVERNMENTAL ENTITIES**

#### **I. PURPOSE**

The School Board of South Washington County Schools will work with local, state and federal governmental entities when it is in the best interest of the school district.

#### **II. PUBLIC RELATIONS**

It is the policy of the school district to refrain from actions either in support of, or opposition to, community items which do not have direct bearing upon the school system. This policy includes such items as support of any political candidates for office, support of community bond issues which are not related to the school interests, support or non-support of any other community efforts which are not directly related to the interests of the school system. In no way, however, should this policy restrict an individual Board member's activity as a citizen in support of, or opposition to, any issue.
