REPORT

The School Board approved the 2019-20 calendar on April 26, 2018 and a revision on March 7, 2019. The previous revisions included alterations to the staff development days, elementary assessment days and start dates for Kindergarten students. Since that approval we learned of the Presidential Primaries being held on March 3, 2020. This impacts 14 of our schools and district buildings. The calendar committee met and discussed alternative schedules. In an effort to continue to focus on safety, we are proposing an adjusted calendar with the following changes:

- Tuesday, March 3, 2020: No School for students. Professional Development for staff
- Friday, March 6, 2020: School in session
- Monday, March 16, 2020: Teacher workday, No School
