REPORT

During the 2019-2020 school year, as in past years, we have many exceptional teachers working for the School District. It is necessary to pass a resolution to terminate the teaching contracts of a number of probationary teachers. The reasons for release include student driven scheduling, change in enrollment, curriculum changes, union contract transfer article language, licensure issues and performance issues.

On or before May 07, 2020, you will receive the nonrenewal letters of the probationary teachers who must be released at the end of the current school year. The resolution terminates teaching contracts at the end of the 2019-2020 school year, with non-renewal for the 2020-2021 school year.

The administration recommends approval of this resolution.
