“Personalization”

Together we are
SoWashCo 

SOUTH WASHINGTON
COUNTY SCHOOLS
STRATEGIC PLAN 2016-2022

Mission

South Washington County Schools is

committed to igniting a passion for lifelong learning.

South Washington County Schools: Igniting a passion for lifelong learning!

Core Values

Collaboration
Integrity

Continuous Improvement
Equity Relationships

Capital Projects Levy History

- In 2006, SoWashCo passed a capital projects levy providing \$1M annually to provide funds for the purchase and installation of improved technology, hardware and software system enhancements, expanded network systems, replacement phone systems and security and video surveillance systems in all school buildings.
 - Digital Projection systems in classrooms
 - Computer labs in all schools
 - Engineering/CAD labs
 - Instructional Laptops
 - Devices for student use
- The levy expired after 10 years and costs have been absorbed through the general fund, with support from the 2013 referendum providing support infrastructure.

Personalization Objective

- We will engage, motivate, and empower each student through personal instruction creating shared ownership of learning.
- Year 6:
 1. Learners will have a voice so that they can drive the learning, have self-awareness of strengths & weaknesses and can articulate how they have grown.
 - 2. SoWashCo will provide support and access to all stakeholders so that personalized learning is enhanced through the effective use of technology.**
 3. Personalized learning in SoWashCo will connect the interests, talents, passions and aspirations of each learner so that learning is fun, engaging and ongoing.

Year 6 Goal #2:

SoWashCo will provide support and access to all stakeholders so that personalized learning is enhanced through the effective use of technology.

- Foundation: Professional Learning
 - Pillar 1: Learning Management System
 - Pillar 2: Student Expectations
 - Pillar 3: Device Availability

Thank you!

South Washington County Schools: Igniting a passion for lifelong learning!
