## Spotlight on CES

The Crestview Elementary School community is based on a culture of learning by promoting respect, responsibility and a sense of belonging. Crestview has a comprehensive curriculum with an emphasis on STEM, and social and emotional learning. CES also integrates technology into all curriculum to help students develop skills for the 21st century. Students at CES have the opportunity to participate in fine arts such as art, band, choir and orchestra.

CES teachers personalize learning for students by building relationships. Each student meets with his or her teacher before the start of the school year and teachers continue working one-on-one with students during the year. Crestview Elementary welcomes community involvement and hosts several community events during the year. The school also has an active and welcoming Parent Teacher Student Association.

“ ”

“The Crestview community facilitates a culture of learning by promoting respect, responsibility, safety and a sense of belonging that result in personal and academic success in a changing world.”
