**7** extracurricular activities allow each student to find their own passion.

**Seesaw** is an online learning platform that helps students, parents and teachers coordinate learning.

## Spotlight on WES

Woodbury Elementary School teachers and staff members are dedicated to helping every student grow academically, socially and emotionally. Teachers personalize learning for students by building relationships. Each student meets with their teacher before the start of the school year and teachers continue working one-on-one with students throughout the year. WES is certified by Advancement Via Individual Determination (AVID) to teach strategies that help students develop organization and study skills which help improve their success at school.

Students at Woodbury Elementary have the opportunity to take part in fine arts through participation in art, band, choir and orchestra. There are also a variety of clubs and activities for students to join. Woodbury Elementary School also welcomes community involvement and hosts several community events during the year. The school also has an active and welcoming Parent Teacher Organization (PTO).

“ ”

“Woodbury Elementary School’s learning community works collaboratively to provide a safe, student-centered environment dedicated to helping every student grow academically, socially and emotionally.”
